

## **FALSE CLAIM OF ACCREDITATION**

It has come to our attention that a fraudulent A2LA Certificate and Scope of Accreditation in the Electrical field of testing is being distributed by the following laboratory:

Testing of Electrical Products (TEP) - Laboratory to "Principles - Tenchevi" LTD  
P.B. 23, No. 158 Geo Milev Street  
Sofia, Bulgaria 1715

The documents are being issued using A2LA certificate number 2465.01. This certificate number was previously assigned to a laboratory in the United States that has since been withdrawn from our program. The laboratory named above is not accredited by A2LA.
